

British Values

North East Futures promotes positive and inclusive British values.

These include democracy, the rule of law, individual liberty, and mutual respect for those of different faiths and beliefs.

All North East Futures UTC students are expected to demonstrate these values regardless of their nationality, culture or religious belief.

We embed these values in our day to day UTC life and we teach these values in our Personal Development and Pastoral programme.

We support our students to develop into confident, happy, successful young adults who demonstrate empathy and understanding of people different to themselves.
