

Student Careers Update

May 2023

What next?

This is a critical time for Year 11 and 13 students as they make decisions about their next steps. We hope that Year 11 choose to stay at the UTC Sixthform but they should understand all of the options available.

Careermap have revamped their CareerMag for Post 16 Options with lots of useful information to help them secure a destination in September.

Your thoughts?

What do you think of the UTC Careers Programme?

We'd love to hear what you think so we can improve and develop the programme in the future.

We'd be grateful if you would spend a few minutes completing this short survey.

Know your Labour Market

Labour Market Information (LMI) is a useful tool to help research future jobs, their availability in the local area, understand the skills needed for certain roles and the demand for particular skills and qualifications.

If students understand this information it can help them to make informed decisions about their future.

Work Experience

We are delighted that Year 10 and 12 students have secured lots of exciting placements ready for their work experience weeks in July and have been blown away by the support our Business Partners have offered.

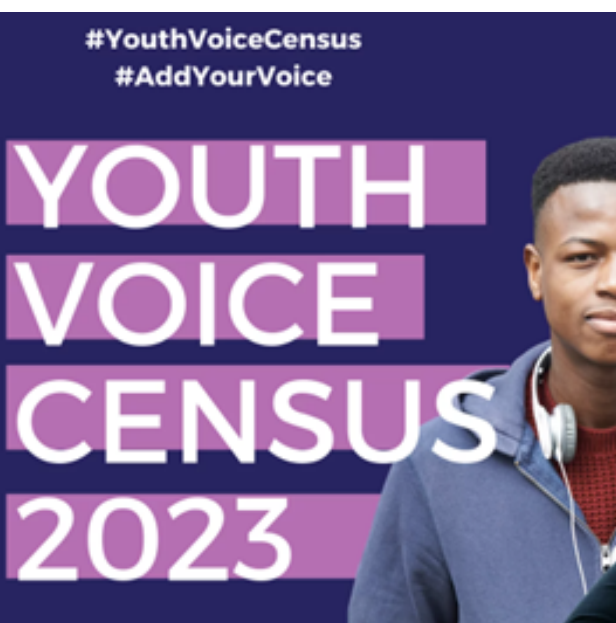

If you have not yet secured a placement you have until 9th June to find something and get your forms in to Unifrog. No further placements will be accepted after this date.

Traineeships

These can be a great way for students to build the skills they need to enter the world of work and are a great alternative for those who may not be quite ready for an Apprenticeship.

To find out more about Traineeships and see the vacancies click on the link below.

FREE

Insight Into Medicine.

CONFERENCE

A fantastic line-up of doctors who will talk about their career and answer any questions you have.

WWW.MEDICMENTOR.CO.UK

Medical, Dental and Vet Conferences

Medic Mentor take mentoring very seriously and when it is delivered effectively, the results are extraordinary.

Medic Mentor has established fantastic programmes that provide a variety of mentoring platforms from face-to-face, online and long-distance.

This ensures that students are connected to realistic and motivational mentors in the way that they feel most comfortable.
